

Reference: CalFed EIR. 00408

May 16, 1998

MAY 28 1998

Mr. Lester Snow -

I am writing to express my position on several CalFed proposed programs:

- 1.) I oppose CalFed's alternatives that would include construction of new or enlarged dams and canals
- 2.) I urge CalFed to expand water efficiency, reclamation, and conservation efforts
- 3.) I support CalFed's proposed restoration in the Central Valley to mitigate impacts of existing facilities
- 4.) I oppose CalFed's upstream management plans - the Bay-Delta's

C-010855

C-010855

water problems cannot be solved by increased logging and construction of new dams and canals.

Please provide additional information to me at the address below. Thank you for your time also please enter this into the public record.
